

TU INVESTMENT CLUB

Attendance Policy

Our goal at the TU Investment Club is to provide Munich students with exceptional finance and investing-related events. To ensure flawless execution and fairness in our events, we have implemented a transparent attendance policy. This policy outlines the expectations for participants and the consequences of non-compliance in order to maintain high standards for both our members and partner firms.

1. Attendance Expectations

Our events often involve a limited number of participants and require an application. If you are selected to attend, it is a binding commitment. You may **cancel your attendance during the confirmation window without penalty**. If you are unable to attend after this window, please notify us **as soon as possible**, so we can offer the spot to someone else. Unexcused absences or late cancellations will result in penalties as part of our point system.

2. Point System & Penalties

To ensure fairness and accountability, we apply the following point-based penalty system:

Situation	Penalty
Cancellation during confirmation window	No penalty
Cancellation up to 8h before the event	1 point
Cancellation within 8h of the event	2 points
No-show without prior notification	4 points

Accumulating **2 points** will result in a **suspension** from all TU Investment Club events. Points expire at a rate of 2 every **six months**.

We are aware that unforeseen circumstances can occur. In these situations, kindly get in touch with us beforehand. We appreciate your transparency and cooperation in helping us uphold the professionalism of our club and partnerships.

Thank you for your understanding.

Best regards,
Your TU Investment Club Team
